

Your customers deserve the **BEST...** don't let them down!

UltraPure offers an array of Ultraviolet (UV) Ozone Generators designed for the pool and spa industry. All of our products are manufactured in North America and surpass the highest quality standards. We pride ourselves in the quality of our products and the value they deliver to your customer, year after year.

Add **UltraPure** to your next pool or spa!

Cleaner, Healthier Water!

Ozone is an extremely effective oxidizer, up to 3,000 times faster than chlorine alone.

Fewer Chemicals!

Ozone reduces chemical usage by 70 to 90%, Lowering the cost of ownership while providing real savings to your customer

Ozone generators for pools up to 85,000 gallons

Ozone generators for spas come with an industry exclusive 3 year warranty!

Quality and Value since 1982!

UltraPure Water Quality, Inc. has been a pioneer and a leader in the Ozone market for over 30 years! Our vision then, as it is today was to give consumers clean, healthy water with the fewest chemicals possible.
